

## Monahan Harrison

Monahan harrison (more commonly known as Harry) is a grey 14.2hh 8yr old Connemara gelding. Harry has been with me for 4 and a half years, since we bought him off Christa Jones as a just broken in 3 year old. As you could expect after 4 and a half years I have developed a special bond with Harry. He is a big character that makes himself known but he also tries his heart out when showjumping. He loves showjumping!

Monahan Harrison has been very successful in the showjumping area. Over the last couple of years harry has been competing successfully at show in EFA Junior and D-grade showjumping sompetitions. He has been jumping 1.20m courses cleanly and in a Junior 6-bar Harry has jumped 1.35m placing him equal first. This is a mighty effort for a pony this height and compete successfully against horses. Another high light of hHarry's career was winning Reserve Champion Working Hunter at Barastoc Horse of the Year Show. To get this he jumped a nice, stylish round and then did a goog work out.

As Harry loves showjumping and thinks it is a heaps of fun he thinks that dressage is too and tame, but now he is learning and starting to do a really nice dressage test. He loves jumping and games- he is a really fun pony to have.

From Kristy Haworth & Monahan Harrison.
